## Player Profile

William Kenworthy plays *the beautiful game* with an intuitive understanding of space, tempo, and technical precision. A left-footed attacking player, he thrives in possession and builds play through deft passing and composure under pressure. His feel for the game allows him to dictate rhythm and unlock defenses both as a finisher and creator.

He is an **elite aerial threat** — scoring **10 of his 23 goals in 2025 from headers** — and consistently wins balls through exceptional timing, body control, and technical ability. His vertical leap measures **23 inches**, and his throw-ins exceed **20+ yards**, adding tactical versatility. Composed under all conditions, he went **100% from the penalty spot in 2025**.

23

Goals (2025)

Regular season leading scorer across all Staten Island high schools

7

Assists

Creating opportunities and finishing chances with equal impact
